Notice of Instruction Number:

#012411 – ADA Enrollment Halt - kp

TO: All Lead Agencies
FROM: Katie Parkinson
DATE: January 24, 2011
SUBJECT: Enrollment Halt for all Aged/Disabled Adult Medicaid Waiver
cc: WCFAAA Program Managers, Medicaid Waiver Specialists

This Notice of Instruction is to reiterate previous communication from WCFAAA informing your agency that the Aged/Disabled Adult (ADA) Waiver is closed to additional enrollment as of January 18, 2011. This freeze is as a result of expenditure projection data indicating that it is necessary to cease ADA enrollment to ensure that the program's legislative funding authority is not exceeded on a statewide level.

Enrollment of elders designated as Nursing Home Transition clients who are eligible for ADA services through nursing home transition proviso funding will continue as well as enrollment of elders referred for services by Adult Protective Services (APS).

Thank you for providing WCFAAA with a listing of each client's ADA APPL status. As you are aware, any client whose application for Medicaid has not yet been filed with the Department of Children and Families may not be enrolled in the ADA Waiver and should be returned to the APCL (waitlist) no later than January 31, 2011.

We appreciate your cooperation in regards to this directive. Thank you for your continued commitment to Florida's elders. Should you require additional program information, please contact your WCFAAA Medicaid Waiver Specialist.
